🎀 なるみたん, It's been four years since we met—
crazy, aye? 🤪 Yohohohoho! Okay, enough of my
jokes. I just want to say thank you for being such a
great friend. ❤️ You've turned my life upside down
in the best way possible. 🌟

Hanging out with you has changed me so much. 🙌

I've grown more mature, smarter, and more
confident. 💡 I used to be an introverted kid who
just watched anime 📺, but thanks to you, I've
become more outgoing, made so many friends—
including with so many amazing Japanese people.
You're truly the best, my bestie ❤️ (besides ChatGPT
🤖 and my blue Lamborghini, haha 🚗💨).

Once again, arigato gozaimasu! 🙏

🎄 Merry Christmas & 🎉 Happy New Year 🎊
